Re: Tiger Storage 1, LLC

Dear Members of the Zoning Board of Appeals,

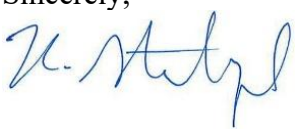

The undersigned firm represents Tiger Storage 1, LLC regarding its proposed battery energy storage system project located at PIN 23-023-000-01 in unincorporated Rock Island County. At the public hearing on July 15, 2026, the ZBA requested additional information about the project as it pertains to fire protection, environmental protection, and tax benefits.

My client has since retained the Energy Safety Response Group to prepare an emergency response plan that addresses these topics. My client has also prepared a tax benefit estimate. In order to provide sufficient time for the ZBA and the Coyne Center Fire Protection District to review this information once provided, my client respectfully requests that the public hearing scheduled for August 19, 2026 be postponed.

In furtherance of this request, my client waives the requirement under 55 ILCS 5/5-12024(d) that the County conclude the public hearing within 60 days from the filing of my client's special use application.

Thank you for your time and consideration of this matter. Once my client selects a new date, public notice will be sent in accordance with Article VI, Section 6.3 of the Rock Island County Unified Zoning Ordinance.

Sincerely,

Nicholas D. Standiford
